

Health Mart Atlas

An exciting new solution
for managed care that's
invested in you.

Together, we're strong.

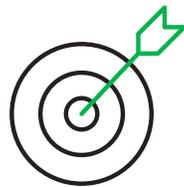

We've built the largest network of high-performing pharmacies to unleash your unique advantages so you can remain strong and successful, now and in the years to come.

Your performance is a priority.

As a leading pharmacy network, we help you improve your clinical outcomes so that your store can perform at its best.

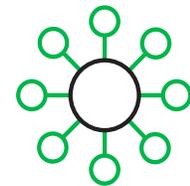

- More than 40% of Health Mart Atlas™ members have at least one PDC measure in the EQuIPP™ top 20%, resulting in an average savings of \$7,000 per year.
- Experienced clinical advisors help our members achieve their performance goals.
- Our Results Optimizer and DIR Estimator help maximize reimbursements and manage cash flow.

We're focused on results.

We're focused on helping pharmacies identify opportunities that are right for their unique needs. Our experts review contracts with a discriminating eye.

- Health Mart Atlas participates in 49% of PDPDs and MAPDs, which is the most among all PSAOs.
- Our contract review process assesses four major areas (plan components, financial terms, performance opportunities and contract language), ensuring Health Mart Atlas is entering contracts that are best for our member pharmacies' business.

Simplifying managed care.

We cut through the complexity and make it easier to understand contracts, freeing up your time to focus on your business.

- Our comprehensive customer service team works with PBMs on our members' behalf.
- Exclusive tools and resources help you understand the complexities of today's managed-care market.
- Central Pay ensures timely and hassle-free reimbursements.
